Consultative Planning Process Questions for Evaluating Units in Support of Instruction

- By major area of activity, what services/product are provided by the department/program/activity?
- What are the costs for service delivery of the department/program/activity?
- What is staffing for the department/program/activity (broken down by area of activity)?
- In what ways are the services produced by the department/program/activity essential/mandated?
- Are faculty resources committed to delivery of the service? (impact on FT/PT obligation?)

SB CC

Consultative Planning Process Questions for Evaluating Units in Support of Students

(Continued)

- Are there ways reorganizations, consolidations, efficiencies or cost reductions could be achieved?
- How does the service delivery compare to external benchmarks?
- What is the impact of reorganizing, consolidating, reducing or eliminating the activity within the unit on the college or community?
- Are there ways the unit could generate growth in FTES or income? (Looking at inter-and-cross department possibilities) If yes, please explain.
- What are the department's 2005-08 priorities, goals and objectives?
